

Wine & Champagne

Dear Guests,
You may notice that we suggest to serve our red wine slightly chilled to conform with the intended temperate climate room temperature rather than tropical climate room temperature. All prices are subject to 10% VAT and 10% service charge. While we try to have the wines on our wine list available at all times, we do in most cases depend on our wine merchants to maintain a steady supply. We apologize if your choice of wine was not available today. Vintages may vary.

Wines by the Glass

*Information for our guests on an All Inclusive (AI) plan: Unless otherwise noted, wines by the glass are included on the All Inclusive (AI) plan. Please note that champagne by the glass is not included in the AI plan, but the sparkling wine is.

You may wish to consider to pre order the red wines with us prior to dinner to allow the wines to be opened ahead of time.
